## Write a Postcard

What might Fred, Con, Lila or Max write to the Explorer after returning home?

A blank postcard template. The postcard is rectangular and divided into several sections. On the left side, there is a large empty rectangular area for a drawing. On the right side, there is a vertical line that separates the drawing area from the text area. To the right of this vertical line, there are five horizontal lines for writing a message. In the top right corner of the postcard, there is a small rectangular box for a stamp.
