## **My favourite scenes from the story**

*Choose two of your favourite scenes from the story to draw here*

A large rectangular box divided into four horizontal sections, intended for drawing two favourite scenes from the story. The sections are of varying heights: the top section is the largest, followed by a smaller section, then another large section, and finally a small section at the bottom.

## Make a poster to save Adonis

## Write a news report

Write a news report about Adonis and the conflict between those who want to get rid of him and the fight to save him.

The form is a large rectangle with a black border. It is divided into several sections:

- A wide horizontal header section at the top.
- A main vertical section on the left side, intended for the main text of the news report.
- A smaller rectangular inset box on the right side, positioned in the upper half, intended for an image or a side note.
- Another smaller rectangular inset box on the left side, positioned in the lower half, intended for another image or side note.
